BOY: Wham! Bam! Hiyah! Did you see how I high kicked that Master Masher?

GIRL: Not until after I used my incredible forcefield to protect you!

BOY: Well I super sped you over the river to avoid him.

GIRL: Yeah, well I shouted to you to get out of his way in the first place. I saved your life!

BOY: No I saved your life!

GIRL: I saved your life!

BOY: Well I'm the best superhero. **GIRL:** No I'm the best superhero! **BOY:** No you're not it's me.

GIRL: I'm afraid you'll find it's me.

MRS SUPERHERO: Okay, okay you two. We get the picture. The Master Masher escaped anyway!

MR SUPERHERO: And you're both wrong.

BOY: Oh yeah, because you're the greatest superhero of all time? (sarcastically)

MR SUPERHERO: Well, actually I was going to say that there is an even greater superhero than me.

GIRL: Okay dad. I gotta hear this one.

MR SUPERHERO: One time this superhero fed five thousand people with just 5 loaves and two fish. And he calmed the sea just by speaking.

GIRL: That's impossible!

MRS SUPERHERO: Well, you know, we're not the only superheroes that have ever lived. This incredible hero didn't use magic or gadgets.

BOY: Did he have super human strength?

MR SUPERHERO: No.

GIRL: Did he elasticate like you mum?

MRS SUPERHERO: No.

BOY: So how did he do it?

MR SUPERHERO: This incredible hero had power from God. **GIRL** and Dash: Wo

MR SUPERHERO: So one day, he was walking down the street and a blind man called out to him over and over again. His name was Bartimaeus.

BOY: What happened next?

MR SUPERHERO: The hero told him to come. So then the blind Bartimaeus jumped and ran to him. This hero asked Bartimaeus what he wanted him to do. The blind man said he wanted to be healed.

BOY: Wait a minute, this superhero is Jesus isn't it?

GIRL: You were telling us about him the other day!

BOY: How did he heal him??

MR SUPERHERO: Well, Jesus just told him to go. He said his faith had healed him.

GIRL: Huh?

MR SUPERHERO: And the man could see! He went down the road with Jesus. **GIRL:** That's so incredible! He was healed with just words!

BOY: Oh man

MRS SUPERHERO: What's the matter, kid?

BOY: Well, if he could do that, then that means he is the greatest superhero.

MRS SUPERHERO: Yes, that's right.

BOY: And not me.

MR SUPERHERO: No, not you, kid. But you can follow him and be like him.

BOY: Now that's cool! Can I have his incredible power too?!

MRS SUPERHERO: Yes, yes you can...!
